---

I have masters in Computer Engineering with 6 years of computer science teaching experience. I am proficient with front end technologies like HTML, CSS, JavaScript as well as backend technologies like Java, SQL, Git, NodeJS. Recently, I have completed The Coding Boot Camp at UT Austin with highest grades. I am looking for new opportunity to apply my skills to become successful software development engineer.

## WORK EXPERIENCE

---

### Assistant Professor

Jul - 2013 to Dec - 2015

Hashmukh Goswami College of Engineering

Ahmedabad, India

As assistant professor, I taught my students following computer science courses: Theory of Computation, System Programming, Compiler Design, Distributed DBMS, Data Mining and Business Intelligence.

### Lecturer

Jan - 2010 to Jun - 2013

Hashmukh Goswami College of Engineering

Ahmedabad, India

Note: I continued my lecturer duties while pursuing my Masters in Computer Engineering degree between Sep-2011 to Jul-2013.

## SKILLS

---

**Programming Languages:** Java, JavaScript, HTML

**Front End Technologies:** CSS, Bootstrap, ExpressJS, React

**Development Technologies:** MySQL, Git, Visual Studio, NodeJS

## EDUCATION

---
